

## NEWS RELEASE

A Century of  
Water for the West  
1902-2002

**Mid-Pacific Region  
Sacramento, California**

MP-03-035  
Jeffrey S. McCracken  
916-978-5100

**FOR IMMEDIATE RELEASE:** July 3, 2003

### **PEDESTRIAN TRAFFIC ALLOWED ON SHASTA DAM**

Starting on Friday, July 4, 2003, Reclamation will allow pedestrian traffic on the roadway across Shasta Dam from 6 a.m. to 10 p.m. daily. As a security precaution, vehicular and pedestrian access to Shasta Dam has been restricted since September 11, 2001.

The Shasta Dam Visitor Center's summer hours are 8 a.m. to 5 p.m. Reclamation Guides will be available in the Visitor Center and on the dam to answer pedestrians' questions and to give informational presentations.

Vehicle traffic will continue to be allowed across the dam with the required access permit. Additional information is available online at [www.usbr.gov/mp](http://www.usbr.gov/mp), or from the Shasta Dam Security Office at 530-275-4253.

For additional information, call the Shasta Dam Visitor Center at 530-275-4463.

###

**Reclamation is the largest wholesale water supplier and the second largest producer of hydroelectric power in the United States, with operations and facilities in the 17 Western States. Its facilities also provide substantial flood control, recreation, and fish and wildlife benefits.**
